

### REMARKS

This Amendment is filed concurrently with a Request for Continued Examination. The above amendment to the drawings is submitted to correct an error inadvertently made in the prior Amendment filed October 22, 2003. No new matter has been entered through this amendment.

Replacement Figure 1 is included herewith to correct that error in the drawings that occurred in the Amendment filed October 22, 2003. Applicants notes former Fig 1a was submitted as the new Fig. 1, when the former Fig. 1b should have been submitted as the new Fig. 1, such that the changes to the specification comport with the instant Fig. 1. Entry and consideration of this Amendment is respectfully requested.

In the event this paper is not being timely filed, the applicant respectfully petitions for an appropriate extension of time. Any fees for such an extension together with any additional fees may be charged to Counsel's Deposit Account 50-2222.

Respectfully submitted,
